- 05/02/2009 The program is great and our students love it.
(It always surprises me when this technology works so well.)
Damien P, Instructor Pacific Sailing School, AUS
- 04/02/2009 Very impressed with your program and assistance and are telling all my sailing friends. It is a great way to get a large screen GPS for a very reasonable price and the sharing of and infinite saving of waypoints, past tracks and routes is awesome.
- 25/01/2009 We have SOB running on XP and find it tremendous.
Nigel B, Qld, AUS
- 03/02/2009 ... your excellent SOB software
Kenneth R, Yorkshire UK

- 21/01/2009 I have two year old version and about to upgrade to newest version. I have enjoyed using it
George S, NSW, AUS
- 16/12/2008 I was impressed by your software when crewing on a friend's yacht and want to use it myself.
Stewart W, Aberdeenshire, Scotland
- 13/12/2008 I recently purchased a copy of SOB (great package). We are presently in middle of Southern Ocean en route to Chile.
Pat Holmes, Southern Ocean.
- 25/11/2008 I love the SOB program and recommended it to many of my friends.
Charles S, Switzerland
- 23/11/2008 My son has been using the yacht and the software quite a bit, and it works well, even as a trial version.
Doug R, WA, AUS

- 14/11/2008 I am not being sycophantic when I say your company has the best support of any that I have experienced; thank you very much.
Ron C, UK
- 12/11/2008 To all of support, Thank you. I study with manual from now on. And a safe voyage is possible.
Matsushita Tsuyoshi, Japan
- 06/11/2008 Just returned from 3 months up in the Whitsundays – SOB performed perfectly all the way.
Ian R, Pittwater, AUS
- 10/10/2008 Congrats to your team on the SOB manual - it's excellent.
Jim G, NSW, AUS
- 05/10/2008 we are very pleased with our results obtained with the SOB software [and DSC-based Vessel Tracking System], and we want to applaud your efforts. Your prompt replies to our queries, and the quality of the SOB, are outstanding !
Chalmers S, Fort Myers, Florida, USA
- 25/09/2008 I purchased SOB approx 12 months ago and I am very happy with it.
Stephen N, Carrum Downs, Scotland
- 04/09/2008 Thank you for your support, everything works fine. Congratulations for your software and also the dedication supporting users.
Wilfrid le N, France
- 02/09/2008 I have been out sailing with SOB this week-end - great program. I will certainly buy it. The manual is really good reading - I got very impressed in this last week-end.
Jens K, Copenhagen, Denmark
- 28/08/2009 First of all, thanks for the good work on SOB! I'm a very enthusiastic user. I use the Dutch version, and have a map of the Europe region. I also have an AIS receiver installed, especially useful during the Channel crossings. Works like a dream. This summer I intensively used the GRIB files to anticipate weather changes, also excellent! Keep up the good work, and thanks a lot!
Peter V, The Netherlands
- 25/08/2008 SOB is great why do people keep buying Raymarine....
Peter C, UK
- 23/08/2009 Thank you for an excellent program. I am a convert from the Maxsea system, but will always compare to it!! I am enjoying testing your software and despise the arrogance of your competitors!!!!
Thomas W, UK
